Kim,

As there does not seem to be any alteration to the proposed water infrastructure, I don't have any additional comments on the project.

Let me know if you require anything further.

Thanks for keeping us in the loop.

Regards,
Chris

Hi Chris,

Hope all is well.

Just thought it would be easier if I sent this to you by email.

At the last Planning Board meeting (5/18/10), the Board had asked the applicant to supply further information. I have attached the Michele Circle - 348, 350 and 352 Main Street revised plans and information, if you would like

6/30/2010

to review them and comment.

I apologize for the short notice.

Sincerely,
